Attention Brooks Military Families

The graphic features the text "Month of the Military Child" in a white, sans-serif font against a purple background. The letter "o" in "Month" is replaced by a dandelion seed head, and several white dandelion seeds are scattered across the purple area, appearing to blow away from the seed head. The background also has faint, repeating patterns of dandelion stems and heads.

Month of the Military Child

Hello! In April, we celebrate the unique sacrifices of military kids through the Month of the Military Child.

On **Friday, April 22, from 8:15 to 8:45 a.m.**, we will honor our military kids with breakfast and some special guests outside in the Brooks garden -- but we need to know who you are first!

Email me, Josie Beets, mom to fourth-grader Ellis and Army spouse, at josie...@gmail.com and let me know you're kiddo's name, grade, and if you'd like them included in our breakfast.

****We hope our military parents will also be able to participate in this event -- please let us know if you can come!****

Also, let us know if your family has a deployed parent or loved one.

Please let me know if you have any questions. Thanks!

PARENTS HELPING STUDENTS DISCOVER CAREERS

CAREER EXPLORATION DAY 2022

CORA KELLY • NAOMI L. BROOKS • LYLES-CROUCH

Hello Career Oriented Family Members and Friends of ACPS:

Times have changed how we do career day, but this change has led to a fun and unique opportunity. Join Cora Kelly, Naomi L. Brooks and Lyles-Crouch in helping support our Career Day. See below for how you can help!

Career Exploration Day is quickly approaching and we need YOUR expertise or network to make this the best experience for our students! Whether you work in human services, business management, and administration, information technology, health sciences, or government and public service- we need YOU!

The purpose of Career Day is to expose students to various career options and help them make connections between current learning and future career success. We plan to have speakers from a wide range of career fields as well as an outdoor work vehicle exhibit.

We are asking staff, families, and the community to reach out to people they know to get some career videos. We will create a fun virtual career experience with these videos for our students.

A few things of note:

- Max of 3-4 minutes
- Tell us your name, occupation and where you work
- Answer at least one student posed question during the video (given to you after you fill out the Google form)
- Videos will need to be filmed horizontally
- Can be as creative as you want, even “take us” to work with you for a day!

Submit a video to Google Folder (link given after you fill out Google form) by **Friday April 29th, 2022.**

What to do if you are interested? Fill out [this Google Form](#) and Ms. Bustard, Ms. Falleroni, or Ms. Trozzi will be in touch with more details.

Thanks,
Ms. Bustard, Ms. Falleroni and Ms. Trozzi
